

# HDRS

**SOLAR**<sup>®</sup>  
L I G H T

**Solar Light Company, LLC** provides a comprehensive HDRS solution. Our HDRS package includes Monochromatic or Polychromatic instrumentation, the *In Vitro* SPF-290AS UV Transmittance Analyzer, a Pre-Irradiation Solar Simulator, as well as Sandblasted or Molded PMMA plates and SPF sunscreen standards. Additionally, we offer on-site maintenance, repairs, validation, and training services.
